REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

It is noted that the new limitation wherein the midpoint of the cradle on the first side separated by a distance generally equal to the thickness of the elongated member is disclosed in the specification. It is noted of the midpoint between portion 22 and 23 in Fig. 1 is at portions 33 in Fig. 2. Note that portions 22 and 23 are tapered to the surface of the support structure. Furthermore, it is noted the specification, page 7, lines 10-11, provides support that the support is formed of a single layer.

Furthermore, it is noted that either Williams (2808189) or Emery (2783879) fails to meet this limitation.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
